April 18
1904

I Quincey Short do solemnly swear to support the constitution of the United States and the constitution of the State of Indiana and to faithfully and impartially discharge my duty as deputy surveyor on the Joe W Sullivan survey in and adjoining section (16) Town (17) range (2) west in Monroe Co in the State of Indiana according to law to the best of my skill and ability so help me God
Quincey Short

April 18
1904

This is to certify that I This day appoint Quincey Short a true and lawful deputy surveyor on the foregoing survey in the County of Monroe State of Indiana

C. H. Bowers

Apr 18
1904

All parties being here at that meeting to have and all before them was duly notified and present. The line was run from the corner of the section to the corner of the section and a stone was set at the corner of the section of a well known place at the corner of the section. I and the other parties to the survey do hereby certify that the line was run as shown on the field notes and that the same is correct.

April 19
1904

After the meeting at the place above mentioned the parties to the survey met at the place above mentioned and the line was run from the corner of the section to the corner of the section and a stone was set at the corner of the section. I and the other parties to the survey do hereby certify that the line was run as shown on the field notes and that the same is correct.

April 20
1904

We run the line K D and corrected back to the corner as shown on the field notes. Then we run the line B H to Q and established the half mile post at Q then we established a corner at Y 2 rods east of H and one at Z 47 rods south of Y. We then ran the line to the east and south line of the sec. and at the intersection set a corner at Q. (Chambers and William Fletcher)

July 20th 1910

According to agreement I and John Scott, and
 proceeded to making. make the following survey. according
 to field notes and plat. as chainmen I had. J. J. Scott and
 J. J. Scott both duly sworn. we proceeded to locate the
 center of the old road bed marked by the construction of a macadamized
 road in the south half of section 8. ^{T. 7} N. R. 1 W. measuring from
 bank on east side of old road bed to bank on the West side of
 said road bed. and taking the half distance we found the center
 of said road bed to be $12\frac{1}{2}$ ft. East of cor. H. we planted a round
 stone in said place ($12\frac{1}{2}$ ft East of cor. H.) to establish the
 center of old road bed. Thence proceeded to run North to the center
 half mile line we there did the same thing as at the south end.
 we measured from bank on East side 30 ft west took the half
 distance and planted a stone 5 ft. 4 in East of T. to mark
 center of old road bed.

Cor. E. is in center of said section

" T. is 3 poles West of center

" J. is 5 ft 4 in East of Cor. T. and is center of old road bed.

G is the South $\frac{1}{2}$ mi post.

H. is 3rd. west of G. and is the corner John Scott's land.

K is $12\frac{1}{2}$ feet East of H. and is the center of the old road bed.

Apr 18
1807

By agreement of Samuel D Jacobs I am Lampkins
and A Rodia Butcher we met on above date
and proceeded to make the following survey
on section 8 5 8 R 1 E as per plat and notes
we had for assistants Abraham Skerwin
William Skerwin & James A Allen & later
Hagman all duly qualified we then proceeded
to make the following survey perpetuated the
center by marking Hickory Tree S 30° E 63 1/2 lbs
sug. 6 in N 60° W 37 lbs, established the 1/2 distance
between the center and the intersection by
hickory tree S 71° E 12 lbs N 67° E 16 lbs
hickory tree S 60° W 10 lbs established the 1/2 distance
between the 1/2 mps and the corner witnessed by
hickory tree S 71° E 12 lbs sug. 6 in S 172° W 12 1/2 lbs
established the center of the 1/2 quarter witnessed by
sug. 3 in S 28° E 15 1/2 lbs N 60° E 6 lbs
established corner at the intersection of the 1/2 section
line running N 75° E and the 1/2 section line running
S 71° E witnessed by sug. 3 in S 67° E 10 1/2 lbs
The 1/4 sec W 24 1/2 lbs perpetuated the 1/2 distance
between the 1/4 sec and the 1/2 mps witnessed by
sug. 3 in S 43° E 18 lbs sug. 3 in S 64 1/2° W 6 1/2 lbs
I hereby certify the foregoing to be a true and
correct report of survey made by me on above date
and I hereby declare I am a Justice of the Peace of I attach
my hand and seal

April B, agreement of Joseph Ryan J & Belcher
1888 John & Anne and George Ryan

The met. or stone pile was arranged by
measuring from Ryan's place where John
Walker and I began it. As known elsewhere
we then proceeded to make the following
survey as per plat and notes in section
No. 8 & 10th perpetuated the c't'g map as
indicated by marking new distances, Buck
to T. S. W. on the Buck 20 in S 81° W 27 the
stone at the 1/2 distance between
the T's map and center of said section witnessed by
Buck on N 60° W 68 the B. monument on V 64° W 61 the
stone at the center of the T &
quarter land section witnessed by Buck 14 in
N 12° W 11 the Buck 10 in T on 124 the

I calculated a line to the distance between
the ship and the land and when situated by
W. 112° 10' E. 10.5 miles 10 n 87° W 112 1/2 160

I truly trust he will say to be a true
friend apart & the survey would say one
in time & he is I really believe I understand
the whole with my hand and ear

Quarter Survey in section 17. Town 9 N. R. 2 W.

A ten days notice having been given to Silas Wharton & Malissa Wharton by Mrs. George Carter I, after swearing in Ira McElroy & James Coffey as chainmen & Samuel Goss as flagman I made the following survey I found the $\frac{1}{2}$ way point on the south side of the S.E. $\frac{1}{4}$ of the N.E. $\frac{1}{4}$ of and established a cor. thence ran north and found the $\frac{1}{2}$ way point on the north side of said $\frac{1}{4}$, $\frac{1}{4}$ and established a cor. and established S. 5. rd. & 18 $\frac{1}{2}$ lK East of T. according to deeds thence ran north to sect line and established cor. H 34 rd. & 8 lK West of the N.E. cor. of section 17.

McGowan Survey

July 2nd 1880

at this day which having been given to George McGowan by Mrs Kate McGowan I. proceeded to make the preliminary survey. in section 2. corner of N. R. 1 East with Walter Harding & John Bowman Jun. Cohen and Harvey McDaniel Idagman all sworn. We commenced at the N. W. cor. of said section and found the half way point between said point and cor. A which is 80 rd East of starting point and planted a stone at the $\frac{1}{2}$ way point. also two witness stones said stone is recorded as corner "V" hence we started South from said established stone and ran South 49 rd. and found the $\frac{1}{2}$ way point and established cor. "W" also planted wit stones for same as the plat will show. also the Township Book.

Lila B. Loudon Survey

Not pursuant to notice given, on the 2nd day of Aug. 1915 and made the following survey. We proceeded to find the ^{line} section, running E & W. along 10th street of Bloomington, Ind. and the center line of Walnut St. From these two lines by actual measurement we established "A" "B" "C" "D" "E" & "F".

Chambers } Engineer James Wanner.
Co. Hanna

Oliver Burkirk

Survey Co. Surveyor.

All owners of parts of the East $\frac{1}{2}$ of Out lot No. 34 in Bloomington, Ind., having been notified in writing as required by statute of the purpose of this survey, namely to relocate and perpetuate the Southeast and Northeast corners of said outlot Number 34, and the lines bounding the property of Lila B. Loudon, in said east half of said outlot 34, and designated on the accompanying plat as #4 - and also as to the date and hour, were present, either in person or by representation as follows: -

Trustees United Presbyterian Church - owners of Tract #7, represented by James N. Blair, Trustees and James W. Blair attorney

Charles A. Sears and Fannie J. Sears, owners of tract No. 2 represented by William H. Sears, their son.

Nettie E. Johnson, owner of Tract No. 3. represented by Prof. U. H. Hanna Civil Engineer.

Lila B. Loudon, owner of tract #4 represented by William N. Loudon.

William L. Payne, owner of tract #5. present in person.

Anna E. Greaves, owner of tract #6, represented by H. A. Astell.

Assisted by City Civil Engineer Danner and former City Civil Engineer, Prof. U. H. Hanna I proceeded to locate and did locate the Northeast and Southeast corners of out lot #34. in Bloomington, Ind, and the boundaries of the tract #4 owned by Lila B. Loudon, a part of said outlot #34. as shown on the accompanying plat, "A" "B" "C" "D" "E" and "F".

Dated this 3rd day of August 1915.

Oliver Burkirk

Survey Co. Surveyor.

Survey of Section 4, 5 & 9 T. 10 R. 2 21

I written the last notice having been given we met pursuant thereto and organized by purchasing Ben Talon and Wm Smith as chain carriers and J. B. Chambers, head of the survey and Edward Johnson as a witness and then proceeded to make the following survey running the following lines and establishing the following corners, to wit: After finding the SE corner of Section 16, T. 7, R. 1E and a stone $\frac{1}{4}$ mi post N, we prolonged the line and located corner T 1/4 rd north of it, then from it west to center of SE $\frac{1}{4}$ where we located corner by witness trees, corrected back and established the south line of the NE $\frac{1}{4}$ of the SE $\frac{1}{4}$ of Section 16; then ran N to stone center of NE $\frac{1}{4}$ of Sec. 16 corrected back and located B, F and G, thence W from H to $\frac{1}{4}$ sec. 1/2 mi and found corner stone, thence South to center of Section, thence east to F $\frac{1}{4}$ mi. Then from the center of the SE $\frac{1}{4}$ we ran of a 4 wire back in the SW corner of NE $\frac{1}{4}$ of the SE $\frac{1}{4}$ of Sec. 16 making it a square 4 $\frac{1}{2}$ acres. We established the corners as shown on plat, since 4 $\frac{1}{2}$ days

Bradley Stone Company
By J. M. Bradley Secy

Hoadley and Nolan

66

I was notified that, ~~starting~~ from late (Feb 10, 1923),
The Hoadley Stone Co a corporation of Indiana wished a
survey to locate and improve the Southwest and Northwest corner
stone of Sectionary Lot #63 in the City of Bloomington, Ind. Also to locate
the following described real estate of James H. Nolan in or to
establish the North boundary line of the Hoadley Stone Co. Beginning
at the Southwest corner of Section Lot #63 in the City of Bloomington
running North one hundred forty-eight (148) feet, thence East two
hundred nine (209) feet, thence South one hundred sixty-eight (168)
feet, thence West two hundred nine (209) feet to the place of
beginning

Made the above survey on Feb 23, 1923 with
the assistance of Prof. U.S. Hanna, Co. County Surveyor,
establishing the Southwest corner of Sectionary Lot #63
(an iron pin 30 ft) also setting corner stones (63) between
J.H. Nolan and the Hoadley Stone Co as shown on the
above sketch.

Signed ~~Iron and Chesnut~~

Ota O. & James Polley

You, and each of you, are hereby notified that I, the undersigned, having been duly deputized by the County Surveyor to make a land survey of lands in accordance with a notice forwarded to you by Joseph & Pauline Richardson, -Charles & Opal Robinson and Valmah D. & Wreather M. Kuhnes of lands in the southwest quarter of section 18 T9N; R1E; will start said survey on Monday December 29, 1947 at the hour of 8:30 A.M. This notice shall continue from day to day at the hour of 8:30 A.M. in case that it is impossible to start said survey of December 29, 1947.

W. J. Casper

Licensed Engineer #1996

July 19, 1948

To Whom it May Concern:-

This is to notify the property owners in the Southwest quarter of section 4 and in the southeast quarter of section 5 all in T10N;R1W-Washington Township, Monroe County, Indiana, that I, the undersigned, do hereby appoint and authorize Burt C. Stevenson a licensed engineer in the State of Indiana to act ~~as~~ as deputy surveyor in surveying out and establishing the ~~line~~ property lines involved and set out in the notice of James A. Leavitt-et al to Robert E. Long et al on April 13, 1948.

James A. Leavitt
Monroe County, Indiana

August 20, 1951

To Whom it May Concern:-

This is to notify the property owners adjacent to Lot number 94 in Maxwell Manors Addition to the City of Bloomington, Indiana, that I the undersigned, do hereby deputize, appoint and authorize Mr. Ross Buck, a licensed civil ~~engineer~~ engineer in the State of Indiana to make a legal survey of said lot number 94 in the Maxwell Manors Addition to the City of Bloomington, Indiana and by which survey he shall establish the property lines involved and set out in the notice issued by Walter C. Homan and Mary E. Homan to Richard D. Darby and Joanne Darby on the 11th day of August, 1951.

 Monroe County Surveyor

December 2, 1964

Mr. Ross M. Brummett
and
Mrs. Edna M. Brummett
110 East 15th Street
Bloomington, Indiana.

In compliance with the enclosed Legal Notice, you are hereby advised that I will make this survey on December 14, 1964, at 10:00 o'clock A.M.

If inclement weather prevents this action, on the above given date and time, I will set a future date for future action.

John T. Stapleton
Monroe County Surveyor

December 14, 1964

TO WHOM IT MAY CONCERN:

I made survey in accordance with the above notice, and established 2 corners for the northeast corner of the Brummett Real Estate which is also the northwest corner of the Penrose Real Estate. Said points are 0.90 of a foot apart, due to the fact that there is 0.90 of a foot surplus ground between the east line of Walnut Street and the West Line of Lincoln Street. Therefore a measurement from the west, and a measurement from the east leaves a distance of 0.90 of a foot between the two parcels of real estate. I suggest a compromise.

Helpers and witnesses were Daniel T. Stapleton and John Lysher

John T. Stapleton
Monroe County Surveyor

August 21, 1948

Pursuant to notice as required by law, and as required by Petition of Howard Walker and Virginia Walker, requesting me to establish, locate and perpetuate the East line of the following described real estate situated in Monroe County, in the State of Indiana, to-wit:

A part of the Northeast Quarter of the Northwest Quarter of Section 5, Township 8 North, Range 1 East, described as follows, to-wit:

Beginning at the northeast corner of said quarter quarter section and running thence west along the section line one rod; thence south to the public highway known as State Highway Number 46; thence east along the north line of said Highway to the east line of said quarter quarter section; thence north along the said east line of said quarter quarter section to the place of beginning.

I proceeded to make all necessary surveys to locate said line. I located the corner stone at the northwest corner of said section 5, township 8 North; Range 1 East, also the corner stone at the southwest corner of section 32 township 9 North; Range 1 East in said County and State.

I surveyed the west half of said section 5 over and along the north line thereof, and found that said section is a fractional section, and that the west half over and along the north line is $261\frac{1}{2}$ feet in length. I also found a stone located in the north line of said section 5 marking the center line of said section 5, which stone is located twenty-six hundred and twelve and one half ($2612\frac{1}{2}$) feet east of the Northwest corner of said section 5. I find that said last described stone in the center section stone on the north line of said section 5.

The distance of 2640 feet from the stone at the north west corner of said section 5, which distance constitutes a full half mile or a full half section would over lap the stone in the center of said section 5 by $27\frac{1}{2}$ feet to the east and would make the center line of said section 5 running through Floyd Hall's residence, therefore I hereby declare the west half of section 5 in Salt Creek Township to be short and establish the stone located $2612\frac{1}{2}$ feet east of the stone at the northwest corner of said section 5 to be the center line of said section 5 and the northeast corner of the real estate described above.

John T. Sisk
Surveyor of Monroe County
State of Indiana.

Request for a Legal Survey
 By Raymond Sere

TO: Grace Flick
 535 E. Southern Drive
 Bloomington, Indiana

You are hereby notified that I, Raymond Sere, owner of the following described real estate in Monroe County, State of Indiana, as follows, to-wit:

Lot Number 191 in Driscoll's Addition to the City of Bloomington, as shown by the recorded plat thereof.

have hereby made a request to the County Surveyor for Monroe County, Indiana, that a legal survey be made along the East line of said lot, dividing Lot No. 191, owned by me as aforesaid, and Lot No. 190 in said Addition.

The County Surveyor has been requested to make a legal survey for the purpose of establishing the Southeast corner of Lot No. 191, the East line of Lot No. 191 and the Northeast corner of Lot No. 191.

You are further notified that such County Surveyor shall proceed to make the required survey and locations of lines.

Raymond Sere
 Raymond Sere

I, Noble Scisroe, Sheriff of Monroe County, have served the above and foregoing notice upon Grace Flick by reading said notice to Grace Flick and leaving a copy of said notice at the residence of said Grace Flick on this the 26 day of September, 1948.
